

## FCIE Elections

The FCIE Elections are soon to be underway! We received a great amount of nominations from various institutions and will be moving forward with our elections.

Candidates will receive a contract which they must acknowledge in order to be placed on the elections ballot. The primary representative for each member institution will receive an email notifying them of their voting privileges. **ONLY** the primary member listed in our records will vote, thus, there will be **ONE vote per institution**. Of course the primary representative must consult with individuals within their institution who have been involved with FCIE.

If you have any questions about this process please feel free to contact me at:  
Ljimenez34@valenciacollege.edu

This year the FCIE Conference will be at Valencia College in Orlando, FL. We will have more information for you soon!

## Upcoming Opportunities

Thursday, June 2, 2016  
12 noon - 4:00 pm

**St. Petersburg College  
Second Annual International  
Symposium  
Clearwater campus, ES 104**

Space is limited and lunch will be provided, so RSVP by clicking here:  
<http://web.spcollege.edu/survey/20663>

Questions? Contact Ramona Kirsch at  
727-341-4732.

Thursday, June 23, 2016  
Northwestern University, Evanston, IL

**7th Annual Standards of Good  
Practice Institute  
Beyond the Basics of Health, Safety,  
Security and Risk Management**

Beyond the Basics of Health, Safety, Security and Risk Management, is education abroad's signature annual event focusing on the education abroad risk management issues faced daily by organizations and institutions. Education abroad professionals gather each year at this Standards Institute to debrief, train, improve and learn the latest in best practices of education abroad risk management, including regulatory compliance.

The practical, hands-on focus will include concurrent and plenary sessions that will assist participants to improve their institutional and organizational strategies for risk mitigation, and incident prevention and response.

## New Institutional Initiatives & Updates

### **St. Petersburg College's Global Citizen Pathway Program Takes Off**

SPC graduates Mary Walsh and Marsha Nelson successfully completed all requirements for the inaugural Global Citizen Pathway (GCP) program and graduated on Saturday, May 7, 2016.

Mary Walsh graduated with a Bachelor of Science degree in Biology. During her GCP she participated in SPC's Bonaire Study Abroad program where she was certified as a Coral Reef Restoration diver. During this Study Abroad experience Mary became very interested in pollution issues, which became the topic of her GCP capstone project.

Marsha Nelson graduated with an Associate of Science degree in Health Information Technology. During her GCP, she participated in two different SPC Study Abroad programs: Costa Rica Spanish in 2015 and Italy Humanities in 2016. While in Costa Rica, Marsha not only studied Spanish, but also visited local hospitals and health care facilities. This experience sparked her interest in childhood immunization, which became the topic of her GCP capstone project.

We congratulate both of these very talented and driven students!

### **Palm Beach State Leadership Shift**

It is an exciting time at Palm Beach State College as some leaders take on new college-wide responsibilities and 3 of the 4 current provosts move to different campuses. We would like to congratulate Executive Board member, Dr. Bernadette Russell on her promotion to the role of Vice President for E-Learning and Instructional Technology!

## Website Updates

### **Update Study Abroad Programs for your Institution**

Please take some time to update your institutions current study abroad programs on our Study Abroad Program Finder. You can log into the FCIE website, select Manage Programs on the right and the current programs listed will appear. You can edit the information, remove, and add new programs. Feel free to reply to this email with any questions! To update now [click here](#).

### **Update Job Postings for your Institution**

Please take some time to update your institutions current Job Listings on our Job Listings page. You can log into the FCIE website, select Manage Jobs on the right and the current jobs listed will appear. You can edit the information, remove, and add new jobs. Feel free to reply to this email with any questions! To update now [click here](#).
